CAMPUS LIFE

REGISTRATION

Confusion, chaos, and class cards . . . this is registration! Money, misery, and no more cards . . . this is registration! To freshmen their first glimpse of college is a test of survival; if they finally pass through the myriad of lines, then they are on their way to higher education. Sophomores and juniors struggle passively to avoid Professor X, while seniors count hours and quality points with hopes that soon their tired feet will be but a memory of under-grad days.

PROGRESS

While Memphis State students are attempting to improve their minds, the University is continuously improving its facilities. Along with our growing enrollment, the number of buildings on campus is expanding. Construction has been, is, and will be a large part of our campus life. It is indicative of the new vitality infusing the University.

ROUTINE

Registration is over! The toil now begins, as we adapt ourselves to the familiar routine of classes. As we face new joys and frustrations, our anxiety reaches a new high, which later will prove to travel in only one direction—up! We study, sit through lectures, make new friends during breaks, hurriedly finish our last assignment and at the end of the day, patiently wait for our ride home. This is MSU!!!!

DERBY DAY

HOMECOMING 1963

The 1963 Homecoming Weekend was opened with a pep rally. Roused by the fearless vows of victory from Tiger Jim Addington, Memphis State students cheered ferociously. Culminating weeks of hard work and thought, the displays were erected on campus and judged. Another judging chose Miss Bobbie Lynn Morrow as Homecoming Queen, Carol Kinser, and Mary Frances Griffith as alternates. Entertainment was provided by the Gateway Trio, alumni functions, and a Greek Dance. As a fitting climax, the Tigers continued their winning streak by stopping South Carolina 9-0.

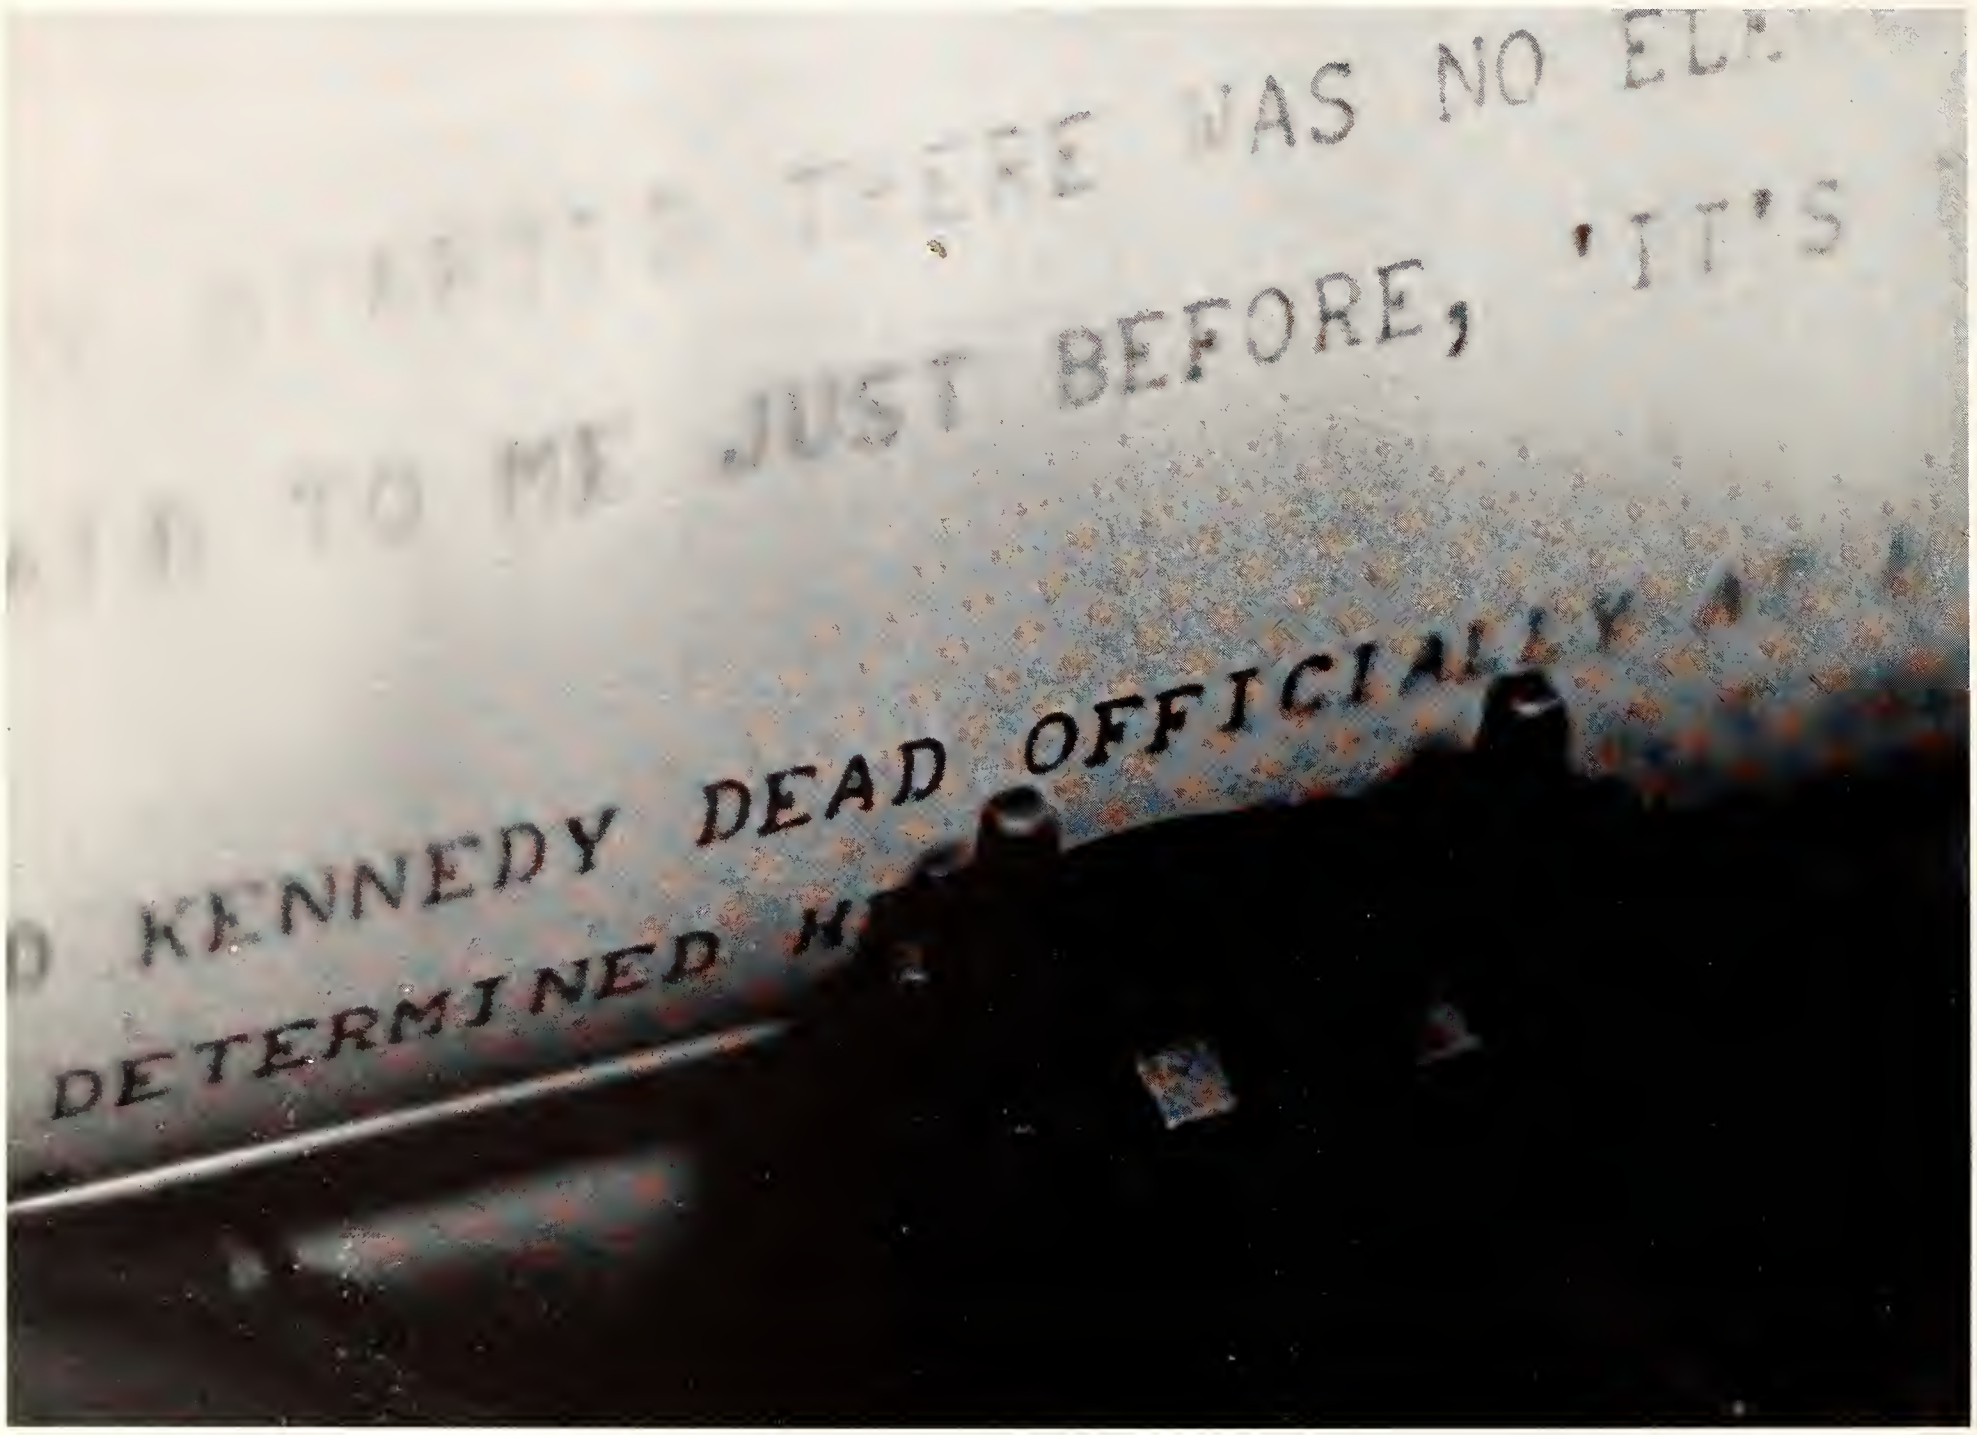
November 22, 1963



As classes were dismissed at 1:00, shocked students rushed to the teletype machine to receive confirmation of the dismal news. The keynote was disbelief. Suddenly the grey clouds turned black and wept with the rest of the stunned world, which turned to the haven of home as the impact took hold of the mind.

From Japan to Tennessee is a lot of mileage for a dream, especially when you're the daughter of a small-town newspaperman in Tottori, Japan. This was the thought of Michiyo Takemoto before she came to Memphis State. Michiyo is here by way of the Foreign Exchange Student program and is the guest of Mr. and Mrs. Allen C. Thompson, Jr.

Spring Concert

Four fraternity brothers from the University of Washington came to town in April providing one of the entertainment highlights of the year. The Brothers Four, one of the outstanding folk-singing groups in this boom time for folk-singers, regaled the audience with everything from haunting ballads to rollicking bar songs.

Composed of Bob Flick, Dick Foley, Mike Kirkland, and John Paine, the group began singing together for "kicks" at parties after the beer ran out. In the fall of 1958, tricked by a cheerleader into trying for an audition at a local nightspot, they began to think in terms of a professional career. Their first recording, "Greenfields," sold more than a million copies. Since that first disc they have produced some of the best-selling records in their field.

The special magic that folksinging holds for the college generation is enhanced by the exuberant style and harmony of The Brothers Four. Their visit will not soon be forgotten by MSU students.

Dr. R. W. Johnson

Johnson Hall stands as an almost living memorial to the man who drew the preliminary plans, donated funds, and served as advisor—Dr. R. W. Johnson, who retires after teaching at Memphis State University for 39 years.

The fact that Dr. Johnson has been here longer than any other professor merely notes the length and not the magnitude of his work. He came in September, 1925, when West Tennessee State Teachers College was a tiny, struggling thirteen-year-old establishment. He leaves having watched the intellectual and physical growth of the institution into a university of 8,000.

During his years here he organized the athletic committee and has served on it to the present. Dr. Johnson's major contribution to the intellectual development of MSU has been his interest and love of geography. The building which bears his name, houses one of the finest geography laboratories in the South. But more than the building, Dr. Johnson's name will live in the memory of the students he has challenged and inspired through the years.

MSU 28 Southern Miss. 7

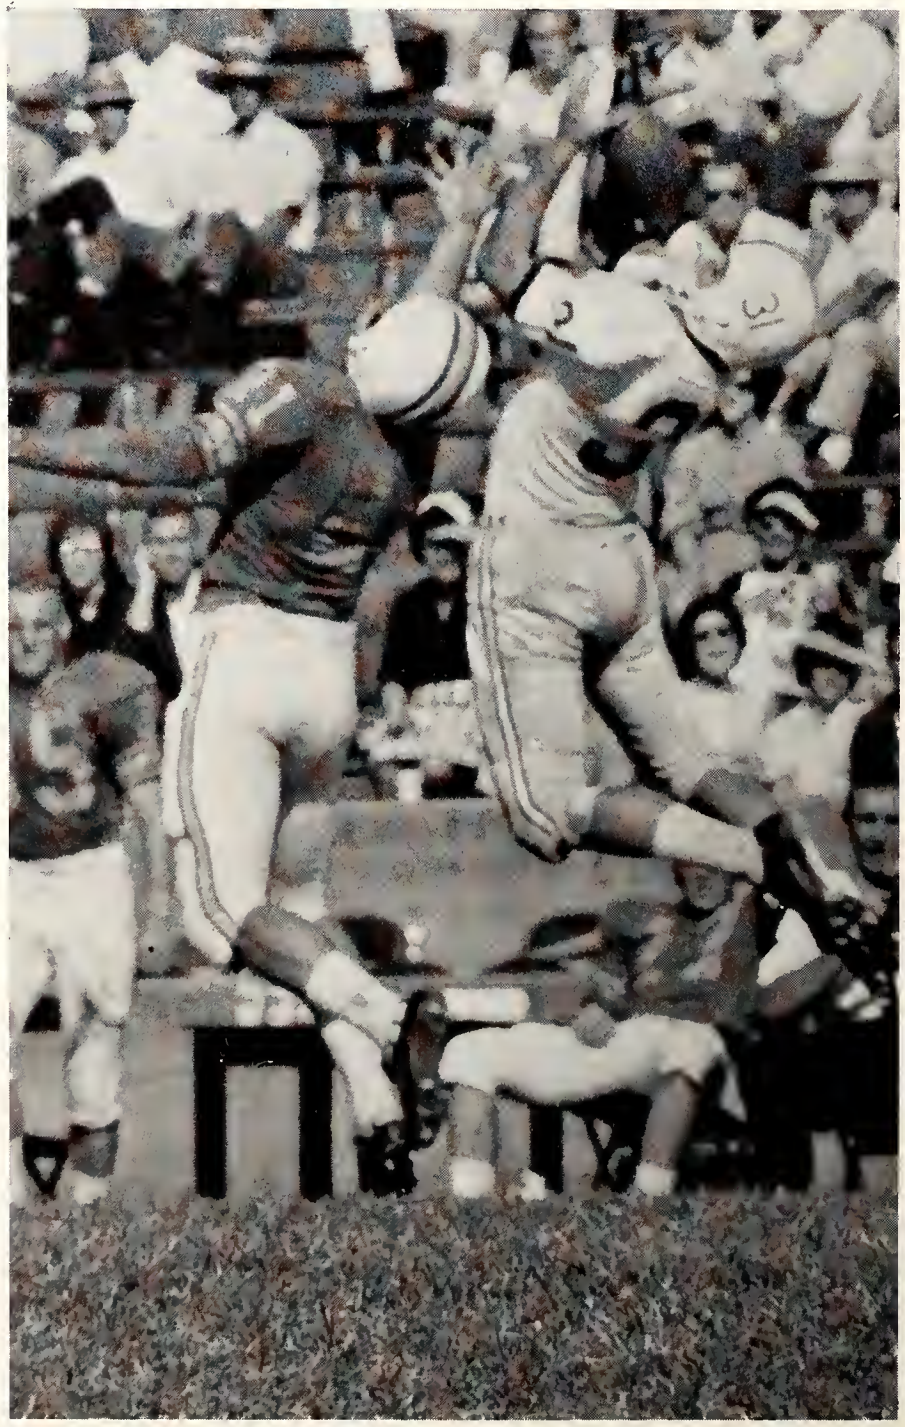
Jackson, Miss., Sept. 14. The MSU Tigers of 1963 opened their season with an impressive victory. The nation's leader in total defense, University of Southern Mississippi, went down to defeat. This is the widest margin a Tiger team has ever amassed againt a Southern Miss. team. All three quarterbacks—senior Russ Vollmer and sophomores Olie Cordill and Billy Fletcher had a hand in the scoring plays, with Fletcher in the key slot on two occasions. Cordill proved his quarterbacking power with a 46-yard run. Second and third six-pointers were set-up pass interceptions by guard Charlie Owens and halfback Ray Farmer.

MSU 0 Ole Miss 0

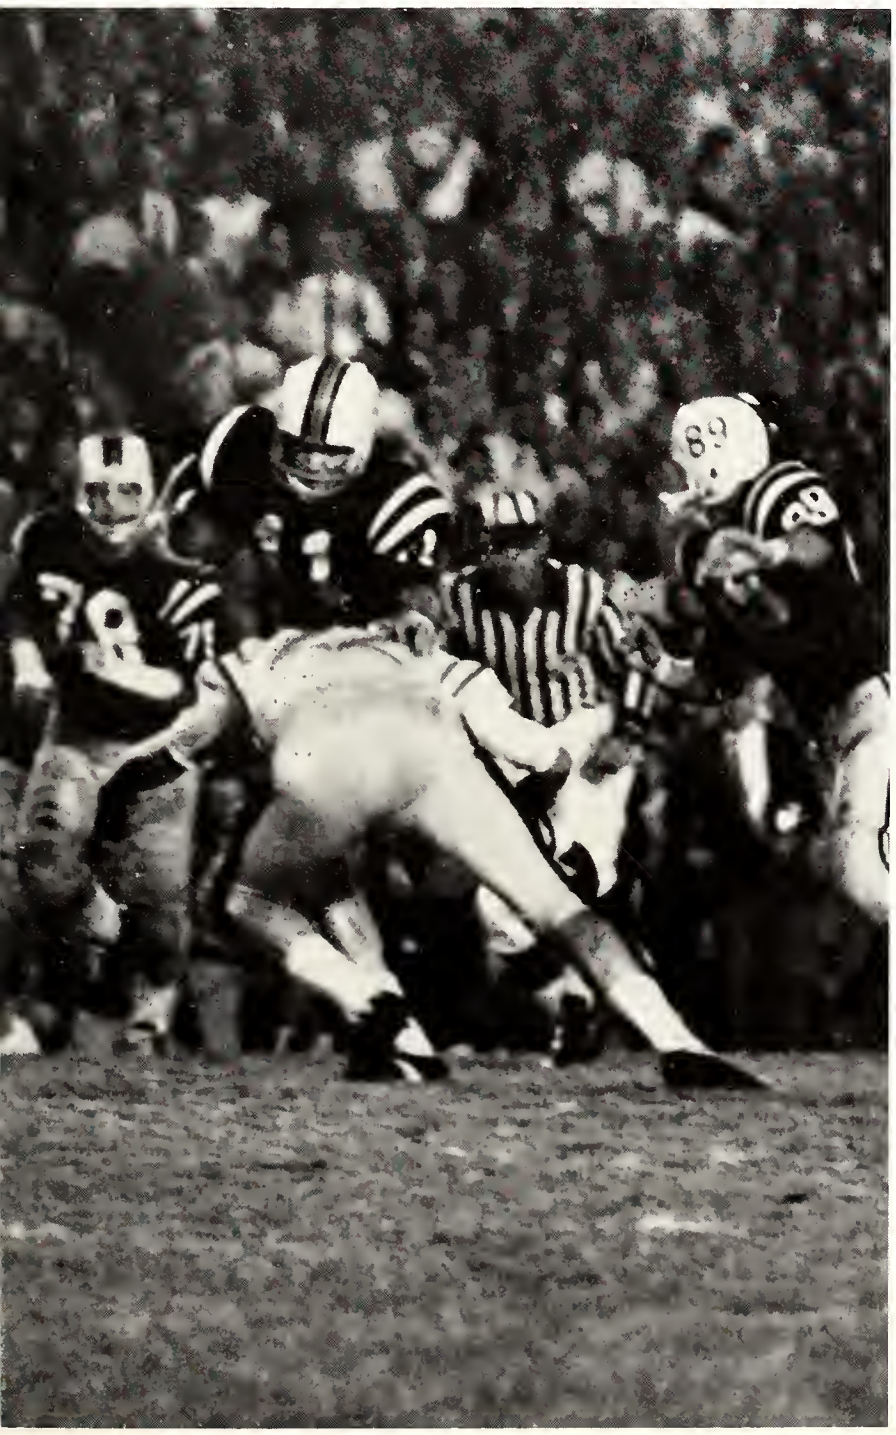
Memphis, Sept. 21. Spurred on by underdog predictions, the Tigers unleashed their best defensive action against the Sugar Bowl-bound Rebels. When it was all over, Memphis State had a scoreless tie with high ranked Ole Miss. MSU's stalwart defense was tested several times within the Reb's 10 yard line, once on the one yard line. Tiger offense made UPI and AP ratings take notice—87 yards gained as compared to the Rebels' 57 on the ground. MSU came close to making it a 3-0 victory, but failed, when quarterback Billy Fletcher's field goal attempt fell short.

MSU 28 Tulsa 15

Tulsa, Okla., Oct. 5. Three second-half TD's brought MSU out of a 9-7 halftime deficit to defeat the University of Tulsa. Russell Vollmer scored a pair of touchdowns. The first in the second quarter, giving a Tiger lead, was followed closely by a Tulsa TD and field goal for their brief 2-point lead. Dave "The Bull" Casinelli's touchdown early in the third quarter drowned the Hurricane's hope for an upset. Minutes later, Vollmer went over again after a 52-yard drive. Early in the fourth quarter, Casinelli added the Tiger clincher.



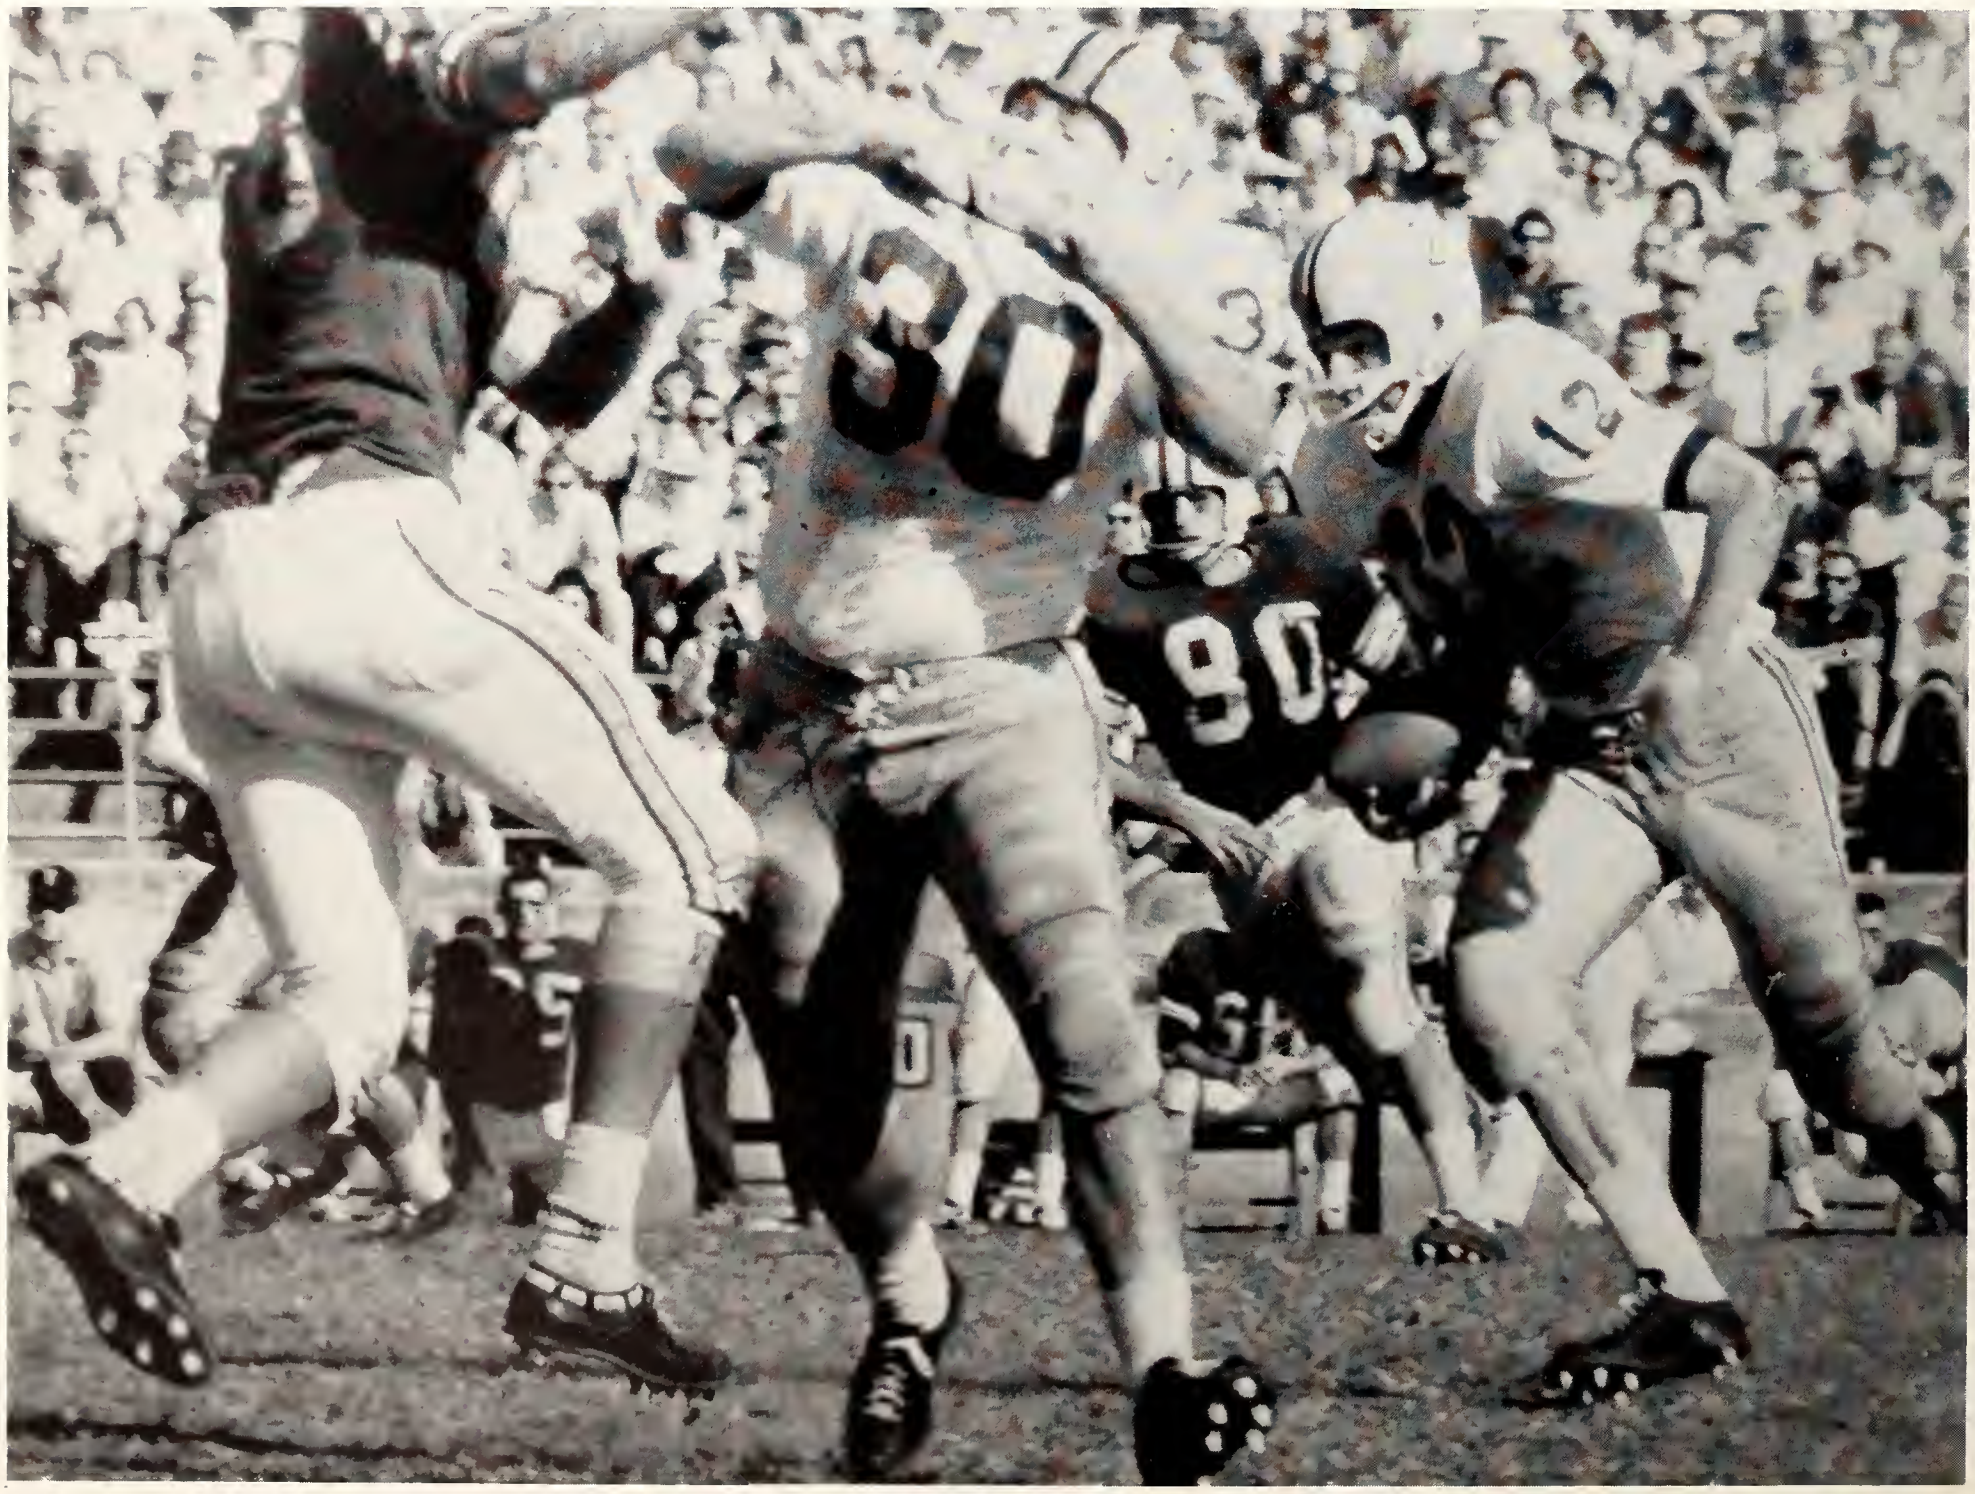
MSU 21 N. Tex. State 0



Memphis, Oct. 12. Momentum was slow in the first half of the MSU-North Texas State tilt, but the Tigers opened fire in the second half to score a 21-0 victory and maintain their undefeated record. The Tiger's first seven was begun by understudy Billy Fletcher in a 70-yard drive. Dave Cassinelli made the TD and Russell Vollmer went over for his first of two, after a 73-yard effort and a 24-yard pass to Chuck Brooks. Quarterbacks Fletcher and Olie Cordill combined efforts with Vollmer for his quick TD sprint on a crucial fourth down.

Canyon, Texas, Oct. 19. Dave Casinelli contributed two first half touchdowns of the four we gained. Opening the second half we scored another touchdown. Owing to the toe of Olie Cordill, West Texas found it hard to stay out of the hole on two occasions, the second leading to a fumble which Walt Heitzenrater well recovered. This play set up the final touchdown of the day. The players found the going rough in the latter part of the ball game due to a driving Texas rain.

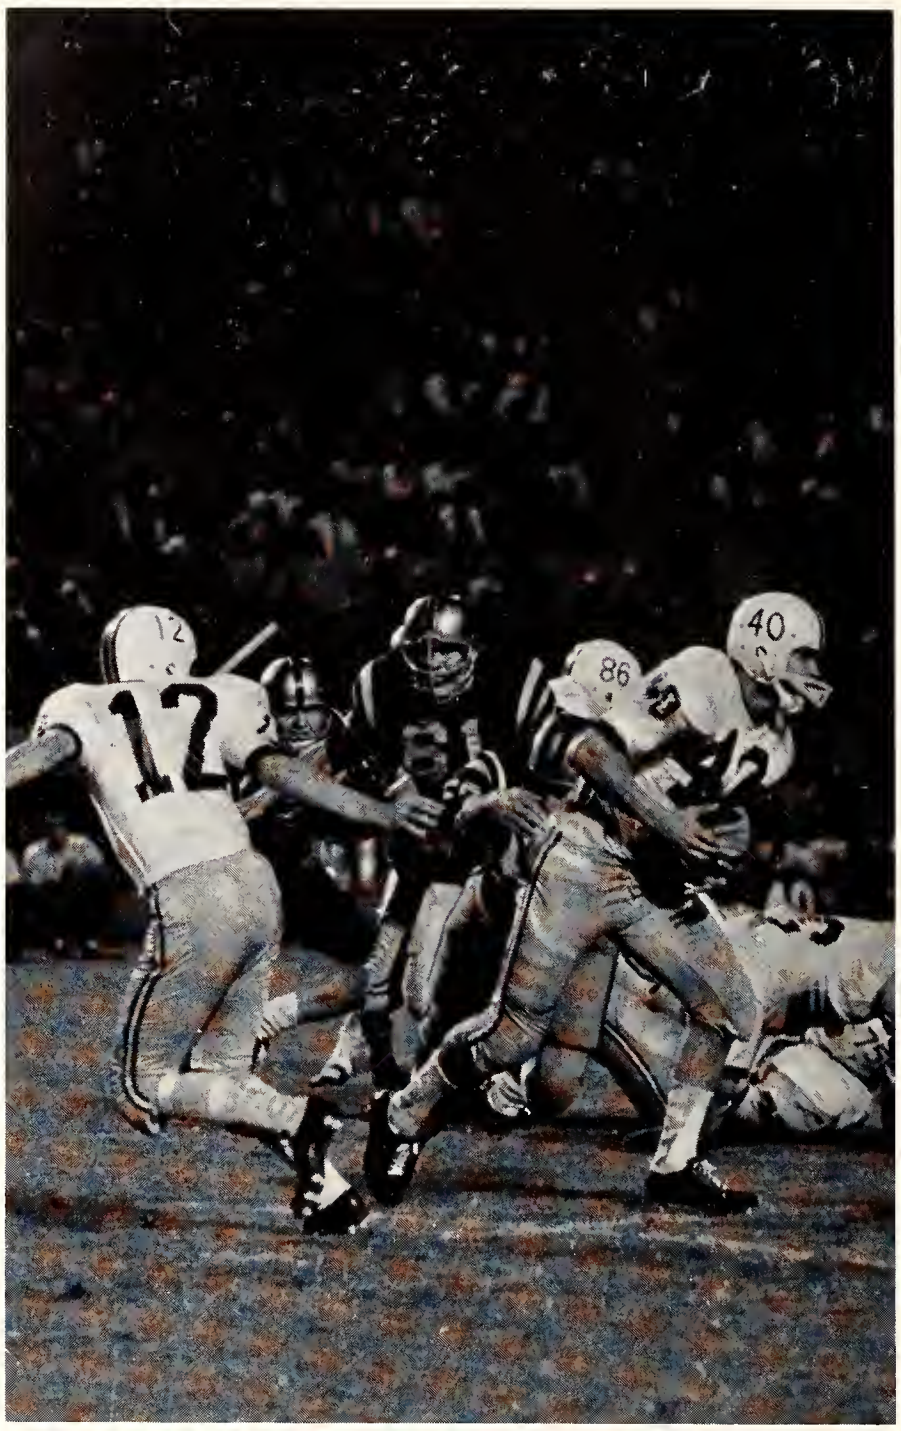
MSU 29 W. Tex. State 14



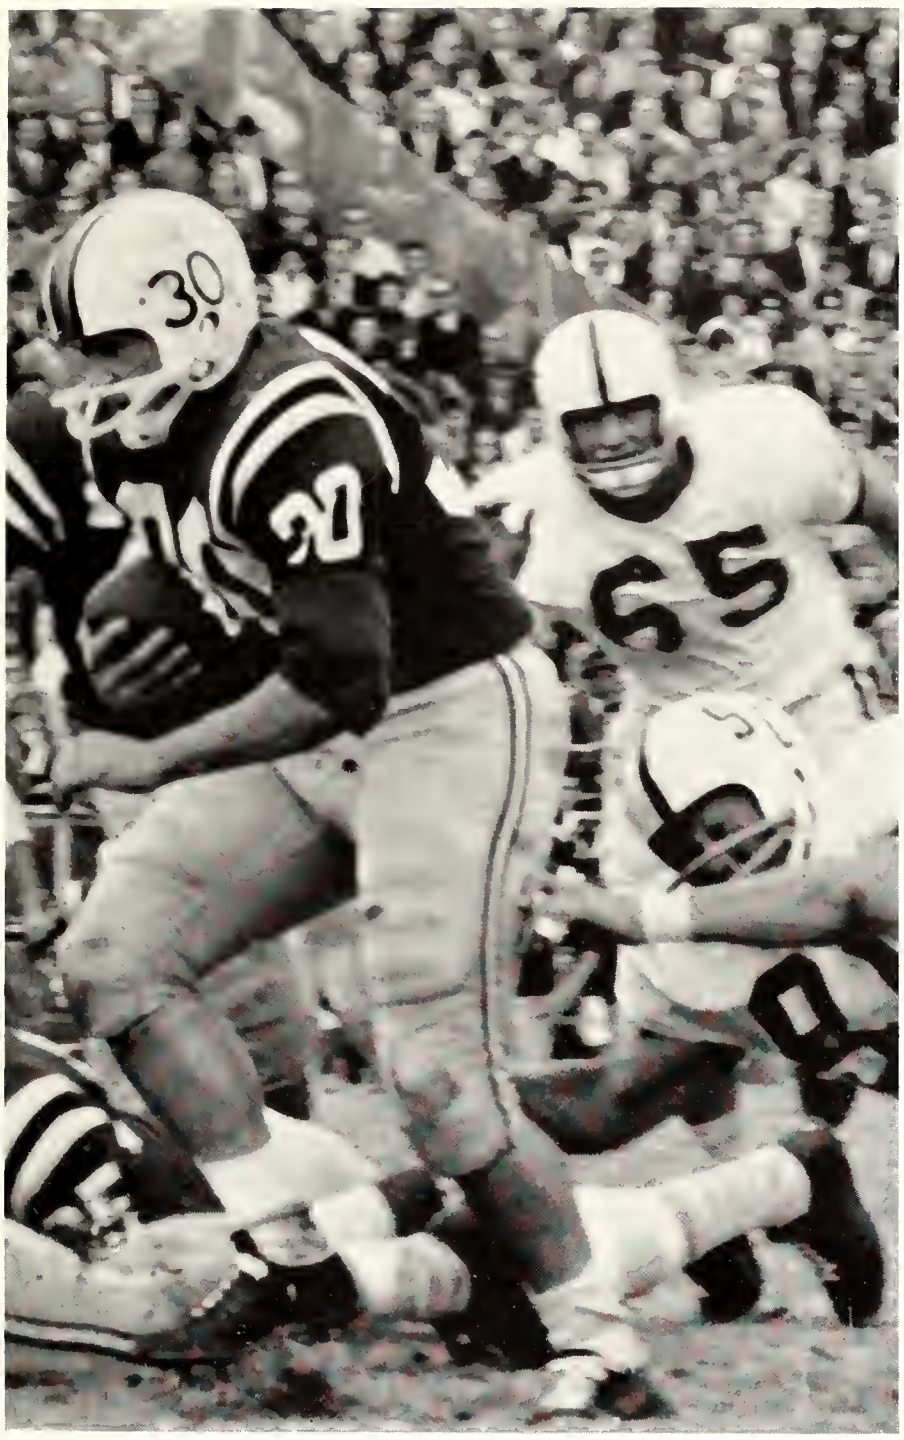
Memphis, Oct. 26. A racy 79-yard run by Russ Vollmer with the opening kick-off set up the first Tiger touchdown against Mississippi State and started an electrifying match that was decided only in final playing minutes. The Tigers took the Bulldogs after a 10-9 lag that lasted half the game. Shortly before halftime, Vollmer was injured and taken to the hospital, but returned in the fourth quarter to engineer the Tigers to their winning touchdown. His startling performance earned for him "national back of the week" honors by the Associated Press. Miss. State proved to have its best season since 1957. It received its worst defeat by MSU, but went on to win the Liberty Bowl.

MSU 17 Miss. State 10

Louisville, Ky., Nov. 2. Quick action in the final quarter gave the Tigers a strong 25-0 win over the University of Louisville, who refused to yield 16 points until the fourth quarter. A short TD run by fullback Dave Casinelli, a 56-yard dash by tailback Butch Travis and a pair of two-pointers by quarterback Russ Vollmer clinched the Tiger victory to extend their winning streak to 14 games. MSU's first touchdown in the first quarter developed from a 16-yard pass from Vollmer to wingback Ray Farmer, and then a one-yard run by Vollmer. Louisville observers were impressed with the running ability of MSU quarterbacks.



MSU 21 Louisville 0



Memphis, Nov. 9. A strong Tiger defense and late decisive scoring pulled MSU out of a scoreless halftime tie to defeat the tough Gamecocks of the University of South Carolina 9-0. First Tiger scoring came after a third quarter intercepted pass by Ed Weldon that put MSU in midfield. Shortly afterwards, sophomore Billy Fletcher kicked a 30-yard field goal. The lone touchdown came in final playing minutes when fullback Dave Casinelli recovered a Gamecock fumble and marched back 72 yards.

MSU 9 S. Carolina 0

Memphis, Nov. 16. Scoring on their first and next to the last possessions, the Tigers cast a 13-0 victory over charged-up Chattanooga but had to hold off two big Moccasin threats to do so. Fullback Dave Casinelli accounted for both touchdowns after a precise nine-yard Vollmer pass for the first score, and a 77-yard invasion for the second. The powerful fullback also was responsible for an impressive 140 yards in rushing offense.

MSU 13 Chattanooga 0

Memphis, Nov. 30. Houston came to Memphis after giving such names as Ole Miss, Miss. State, Baylor, Auburn, and Alabama a good fight. On this cold windy day the Tigers seemed to do very well. We failed to score on two occasions in the first quarter when fumbles denied us. Billy Fletcher took over after Vollmer left the game due to injury. Billy punted a field goal and ran an 82-yard kick-off return and then over on a short run. Dave Casinelli ran for a total of 210 yards for the afternoon and 1016 yards for the year, to give him the nation's rushing leadership. Thus ended the collegiate career of 14 seniors with this sparkling undefeated season.

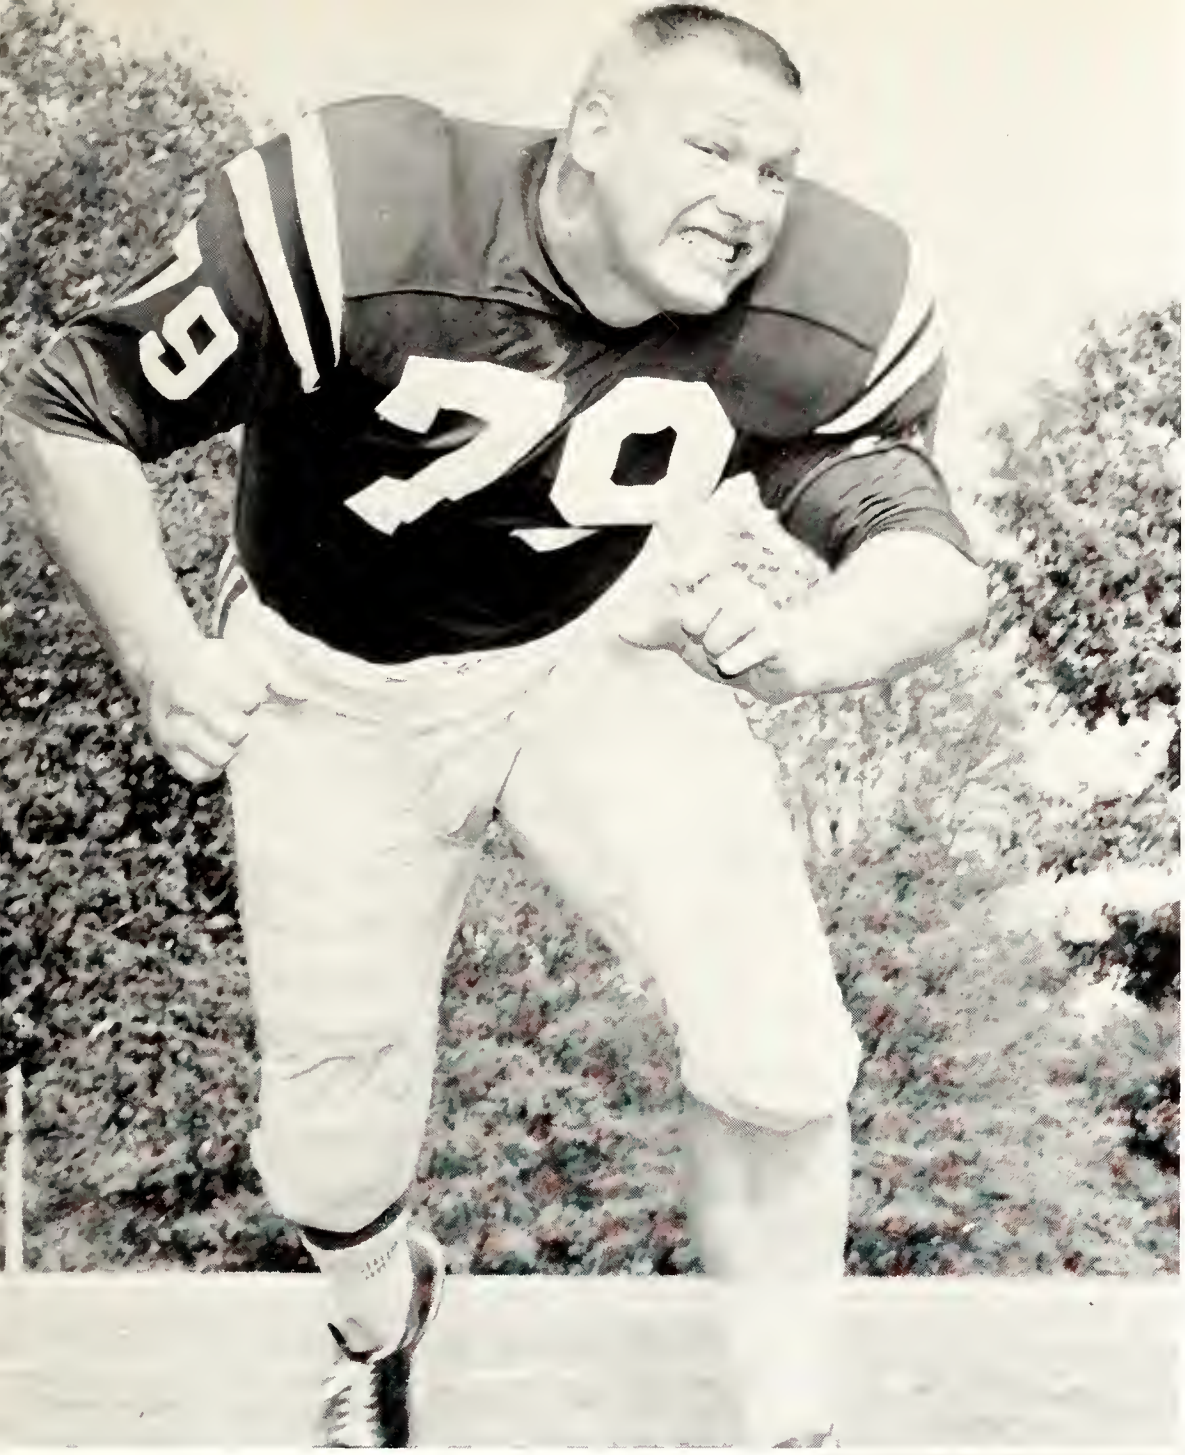
Yearlings



HARRY SCHUH

First team All-American honors were awarded to Harry SCHUH by the Newspaper Enterprises Association. The 270 lb. tackle from Feasterville, Pennsylvania, won this distinction in his junior year. Big Harry also received honorable mention on the Associated Press, United Press International and Williamson polls. Schuh promises to be one of the best tackles in college football in 1964.

All American

CHUCK BROOKS

Chuck BROOKS, junior end from Oak Park, Illinois, was named to the All-American squad by The Football News and also received honorable mention on the Detroit Sports Extra team. Chuck was named by Dell Sports Magazine as one of the most promising ends in the South. With a year remaining, Brooks could become the best all-round end in MSU history. Chuck caught seven passes last season for 99 yards. He has already been drafted by the St. Louis Cardinals of the National Football League.

Lunchbox Theater

The "ham" instinct in Memphis State students vents itself in weekly Lunchbox Productions. The actors, crew, and director are people who might never have had the time to perform in one of the major productions. Vigor, imagination, and daring characterize Lunchbox theaters, held on Tuesdays at 12:30 in the auditorium.

The type and themes of the plays vary with producers, and regular attendants can be assured of finding a touch of make-believe to lift them out of their mundane orbits.

Public Information Office

Memphis State University has realized the value of public relations and just two years ago established the Public Information Office, which is under the direction of Mr. Charles Holmes. The PIO is presently one of the fast expanding and most important departments at MSU. Its primary purpose is keeping the University in the public eye, both locally and nationally. Mr. Holmes is also the director of the News Bureau which sends information and news releases to the hometown newspapers of MSU students.

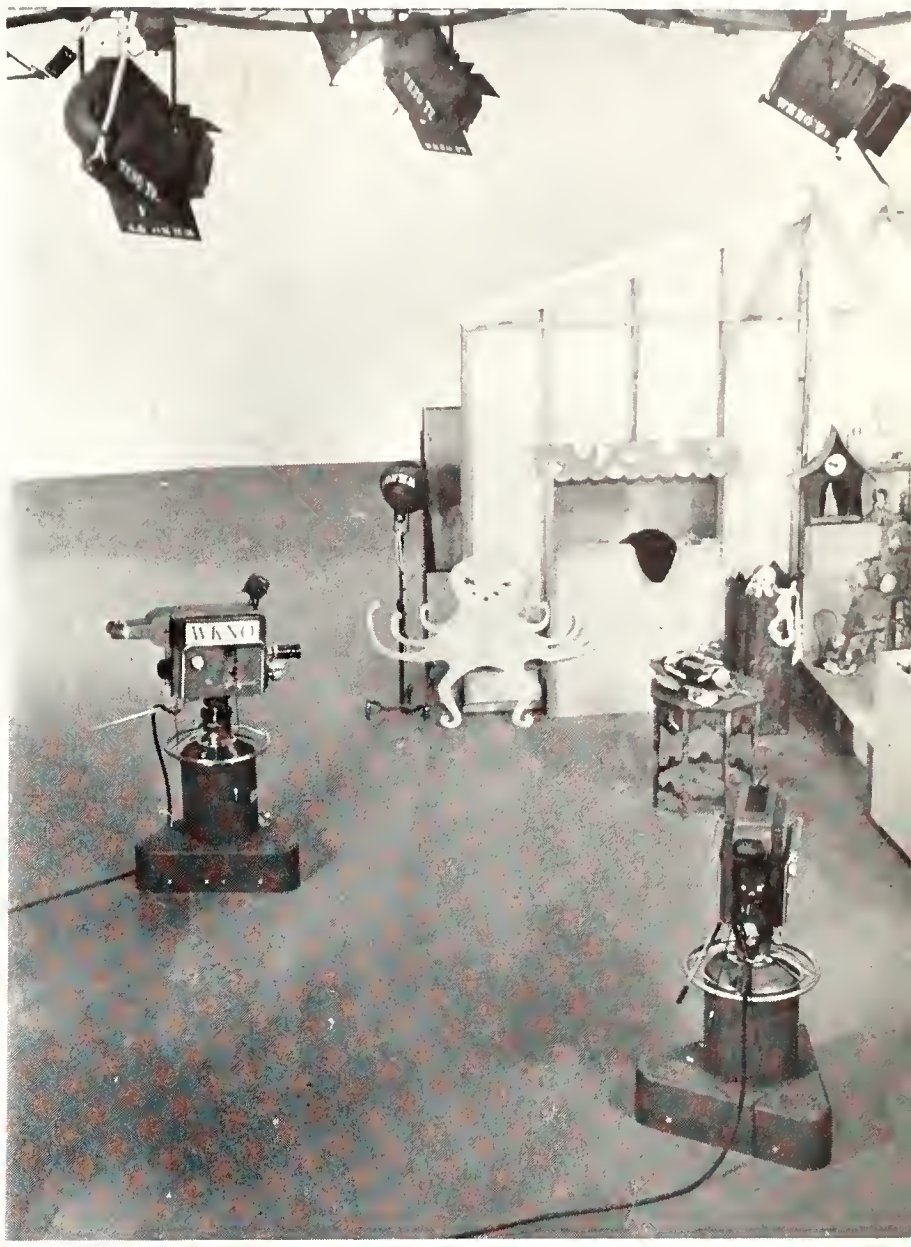
Phoenix

Consumed by fire, The Phoenix, a mythological bird, rose from its ashes once again vigorous and full of youth. The annual University literary magazine contains articles which exemplify these qualities. Students compose the poetry, short stories, and essays contained therein and are advised by Dr. Mary V. Bowman.

Classroom 68

A weekly program devoted to the activities of Memphis State is aired by WMPS radio. Bart Fruhman, a senior, serves as announcer. Each Sunday night a campus personality is interviewed and highlights of the week are reviewed.

WKNO



WKNO-TV, Channel 10, strives to give the greater Memphis community a glimpse into the educational possibilities of the television media. Located on the Memphis State campus, the station also serves as a laboratory for radio and television majors. Broadcasting 58 hours per week, the channel provides a variety of programming for all ages.

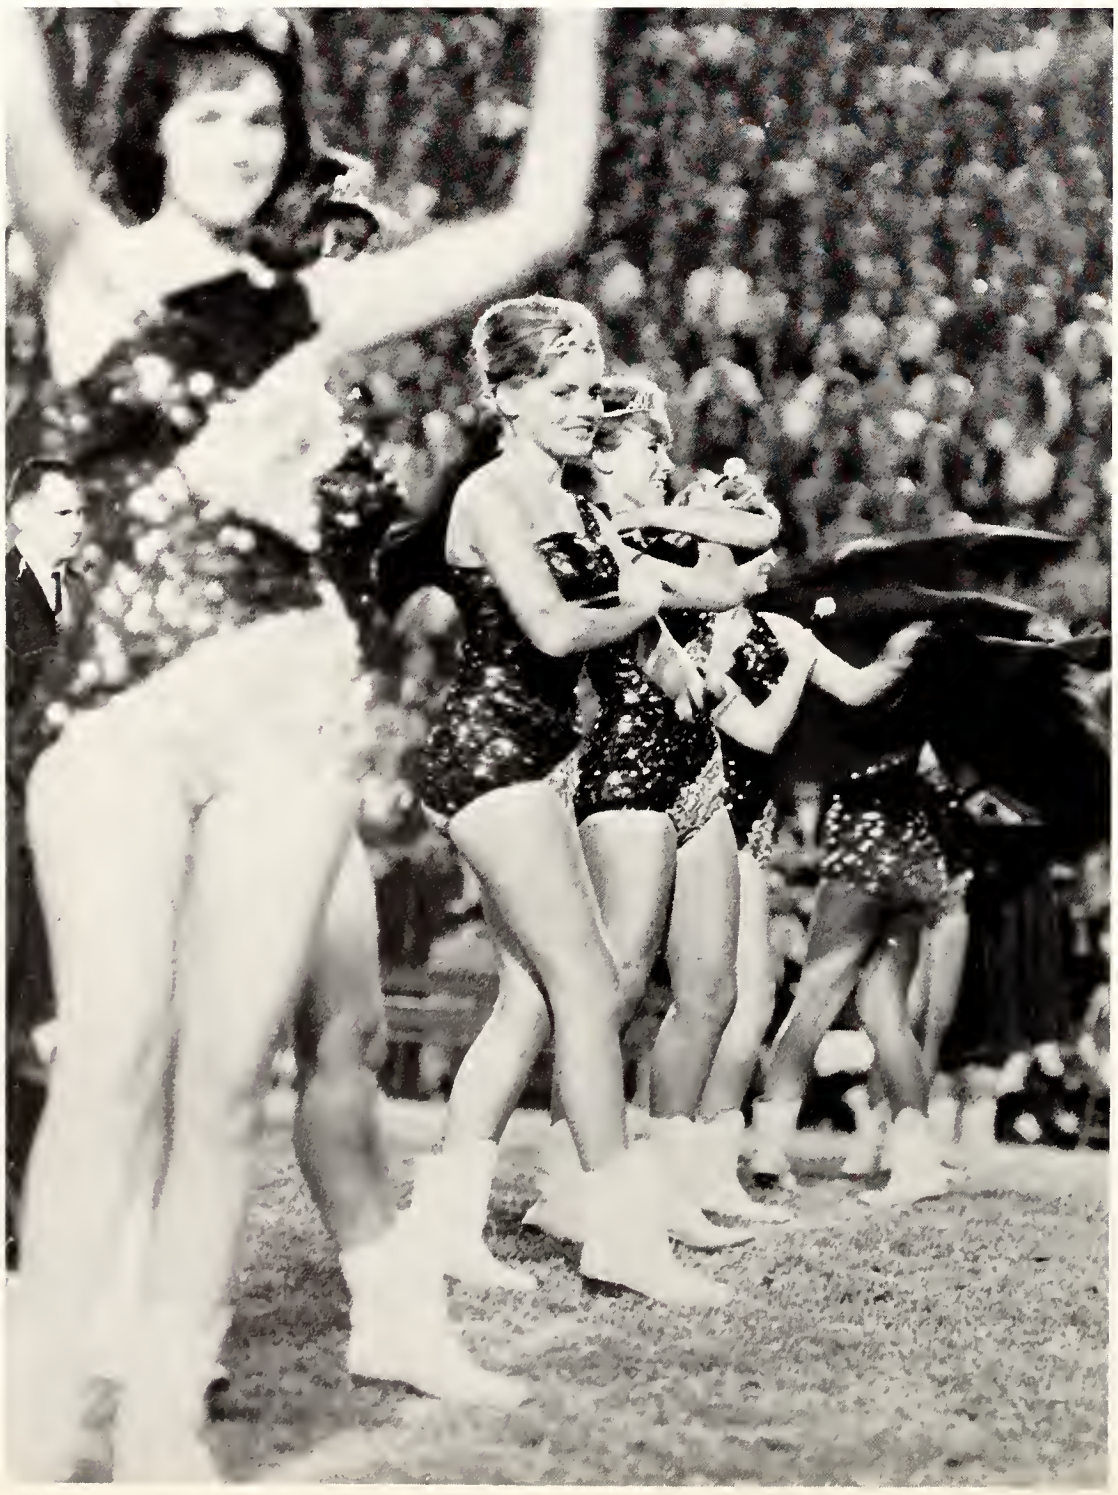
Cheerleaders

With skirts and arms flying, the cheerleaders show amazing gymnastic abilities and much ingenuity. Whether leading the players across the field or inciting the crowd at a game or rousing enthusiasm at pep rallies, they draw applause and cheers. Included with the cheerleaders is the Tiger Mascot, who scores the first touchdown of every game.



Tige

At half-time and at pep meetings the Memphis State Tigerettes provided a welcome diversion and relaxation for tired eyes. Their striking and colorful entrances on the field, as they swirled off their capes, never failed to bring applause from the approving half-time spectators. The variety of acts provided by the Tigerettes enhanced the moods portrayed by the music of the band.

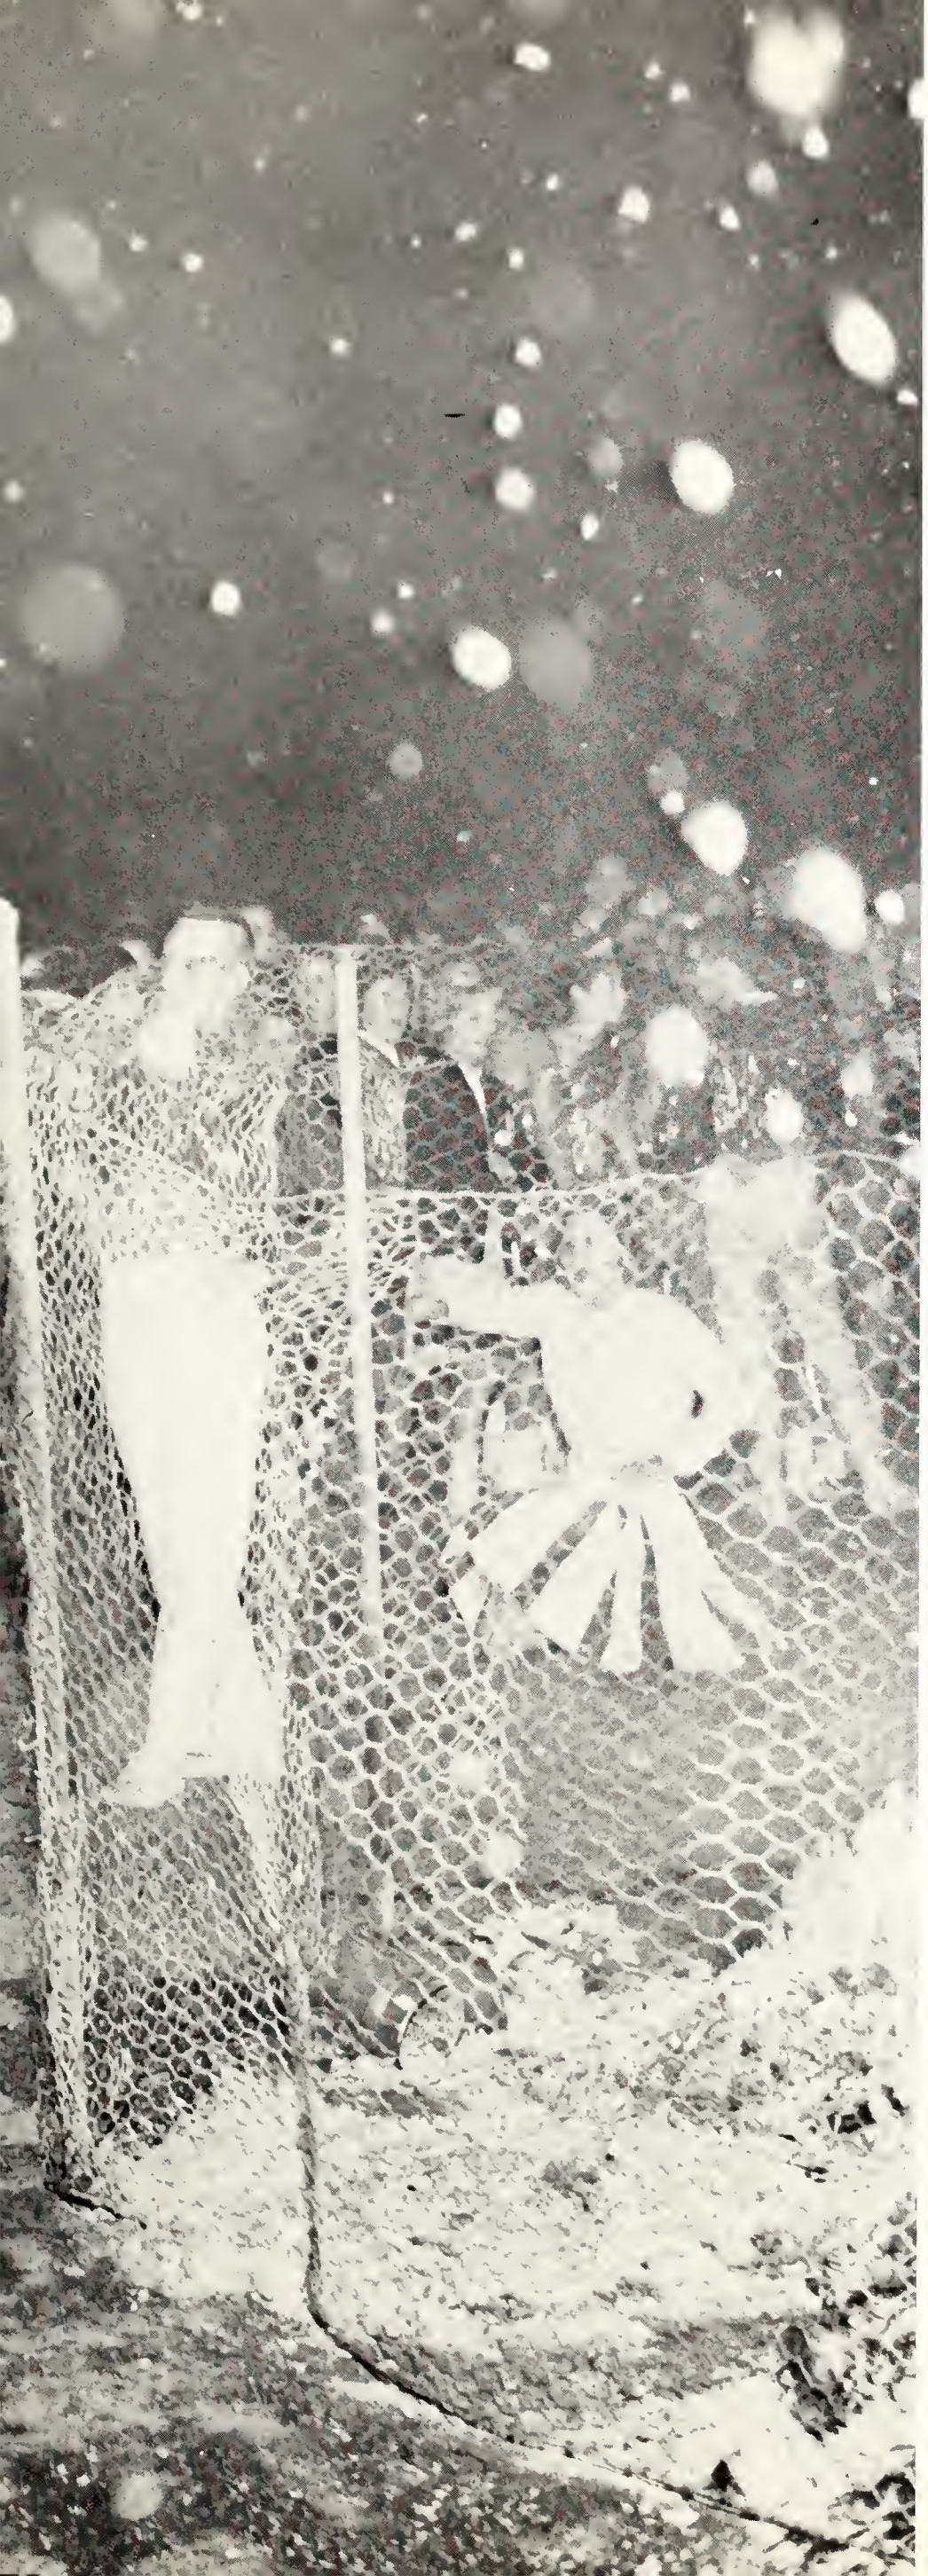
ALPHA DELTA PI



GREEKS

Alpha Gamma Delta was founded at Syracuse University, Syracuse, New York, in 1904. The colors of Alpha Gam are red, buff, and green. The flowers are red and buff roses.

Fall rush in September launched Alpha Gamma Delta in another year full of activities. One of the members was chosen alternate to Homecoming Queen, and three were sweethearts of fraternities. The Alpha Gams are active in campus activities among which are Angel Flight, Pikettes, and Alpha Lambda Delta.

Participation in campus activities does not occupy all of the time of the Alpha Gams. The members and pledges looked forward to planning and giving parties for the children at the Les Passes Center.

Alpha Phi was first established in 1872 at Syracuse University, Syracuse, New York. At Memphis State the members of Delta Lambda chapter strive to uphold high ideals of womanhood.

In 1902 Alpha Phi called the first intersorority conference which was later to become the National Panhellenic.

Since colonization in October of 1962 the Alpha Phis have been active in many campus activities. Following rush, members participated in Big-Little Sister week, Derby Day, and Homecoming. Members have served as dormitory officers, counselors, and are officers of clubs.

The Alpha Phi Chapter of Sigma Delta Tau was established on the MSU campus in 1962.

During its second year on campus, Alpha Phi has had a well-rounded program of activities. The pledge party, Hawaiian Luau, was the highlight of the semester. Dinner meetings and participation in Intramurals kept sisterhood ties strong. For more fun, the pledges of Alpha Phi chapter entered in the Sigma Chi Derby Day contest and placed fourth. Every competitive contest proved to be enjoyable for each member of Sigma Delta Tau.

Acacia was founded in 1904 at the University of Michigan. Losing all but five chapters during World War I and II, Acacia has steadily ascended the ladder of prominence and now has forty-six chapters and three colonies throughout the United States. At Memphis State, Acacia was founded on April 27, 1962.

Acacia is now entering its third year at MSU. Its first year was filled with organizational and social activities of a new group. Last year was a real success. Participating actively in the intramural athletic program, Acacia won the championship trophy in bowling. Acacia has officers in the Student Government, honorary societies, and other campus organizations.

This year the chapter will be host to the Sixtieth Anniversary National Conclave to be held in Memphis.

Our traditional founding dates back to 1400 at the University of Bologna. The national founding was December 10, 1869, at the University of Virginia. Epsilon Pi Chapter was founded on the Memphis State Campus on May 28, 1950. Today there are over a hundred thirty active chapters of Kappa Sigma, boosted by the largest endowment fund of any Greek organization. The colors are Scarlet, Emerald Green, and White; the flower is the Lily-of-the-Valley; and our song, written especially for Kappa Sigma by Hoagy Carmichael, a famous alumni, is "Stardust."

Our main party this year was the celebration of Founder's Day. We were very proud this year of winning the school's "Most Spirited Fraternity" trophy.

Sigma Alpha Epsilon was founded at the University of Alabama on March 9, 1856, as the first Greek letter fraternity, but since the Civil War the fraternity has grown to more than 140 chapters with a total membership of more than 120,000 members — the largest fraternity in the United States.

Locally, the chapter — Tennessee Sigma—was established at Memphis State University in the fall of 1953. In the past years SAE has established itself as one of the leading fraternities on campus. Some accomplishments include first place in DZ Follies for five years in a row, many officers in campus politics, and outstanding representation in all campus sports.

Sigma Phi Epsilon is proud of its past accomplishments and looks toward the future in bringing more honor its way.

In the field of athletics, trophies were won in bowling, volleyball, basketball, softball, golf, and tennis. In leadership Sig Eps belong to and hold offices in many clubs, Senior class, S.G.A., and professional and military organizations.

Not to be overlooked are the many social events during the year. Open houses honoring each sorority prove most successful. The French party and Frontier party are the annual costume socials. The beautiful Queen of Hearts Ball, which has received national acclaim, is held in the spring and brings to a climax the social year.

Theta Rho Chapter of Phi Mu Alpha was founded on the Memphis State campus in 1962. Since then, the chapter has made many achievements. Last year we won the Phi Mu Alpha Province 15 Manpower Award. A full two year scholarship to be awarded to a freshman music major has been established by the chapter. Buddy Skipper is this year's winner of the award.

In upholding the first purpose of our fraternity, which is to advance the cause of music in America, Theta Rho presents an American Program annually, fosters instrumental and vocal ensembles, and is active in all phases of the Memphis State University Music Department.

Sigma Alpha Iota is an International Music Fraternity for women. Delta Beta chapter was installed at MSU on March 22, 1962.

Those that wear the Pipes of Pan uphold their purpose—to raise the standards of productive musical work, and to further the development of music.

This year's activities for Delta Beta opened with a formal rush party at the home of Mrs. Early Maxwell. The American Music Program was presented in November, and annual recitals, concerts, Christmas caroling, and monthly musicales followed. Delta Beta also provided entertainment during intermission at All-Sing and brought to a close the 1964 year with its Silver Tea at the Beethoven club.

PANHELLENIC HOUSEMOTHER

Becoming a mother of several hundred girls at one time is quite a feat in itself; Mrs. Jack Goltman has accomplished this and many others. She coordinates the activities of ten national sororities housed on our campus. She is called upon at times for advice, to serve as a hostess, and as a chaperon. Compatibility through cooperation of several hundred daughters speaks well for our Panhellenic housemother.

Arnold Air Society

The Arnold Air Society is a professional honorary service organization of selected Air Force ROTC cadets from 168 of the nation's leading colleges and universities. The society was formed at the University of Cincinnati in October, 1947, as a local organization with the approval of the late General H. H. Arnold. From these small beginnings at Cincinnati have sprung the many representative squadrons throughout the United States bearing Arnold's name and representing Air Force ROTC to the highest degree.

On November 25, 1950, the Arnold Air Society became affiliated with the Air Force Association, and at that time established the following objectives:

"To further the purposes, missions, traditions, and concepts of the United States Air Force."

"To promote American citizenship."

"To create a closer and more efficient relationship among Air Force ROTC cadets."

B.S.U.

The B.S.U. is a distinctive denominational ministry on all types of campuses. Its purpose is to conserve and help train Southern Baptist students for effective Christian discipleship. It functions to remind each student of his responsibility to Christ, his church, and his denomination, and of his obligation as a Christian citizen to the world in which he lives. The B.S.U. on non-Baptist campuses does not claim to duplicate nor equate the ministry of our Baptist schools, but it does provide a practical channel through which Christ reaches students.

"Therefore being justified by faith, we have peace with God through our Lord Jesus Christ."

Romans 5:1

Inter-Varsity

Inter-Varsity Christian Fellowship, known locally as Memphis State Christian Fellowship, is a nation-wide interdenominational student organization for college and university students.

The Inter-Varsity chapter at Memphis State is dedicated to show the relevance of our Lord Jesus Christ to the college student. We present Christ by seeking to acquaint the non-Christian with God's desire to be his personal Savior, Sustainer and Guide; and by providing the Christian with an opportunity for meaningful and rewarding worship.

"But as many as received Him to them gave he power to become the Sons of God, even to them that believed on His name."

Newman Foundation

The Newman Foundation is maintained for the activities of Catholic students on the campus. The religious program aims at developing the life of Christ in the students. Classes and seminars are conducted as well as individual instruction and counseling. Social activities are planned to complement these programs of education and religion in the fulfillment of the three-fold purpose of Newmanism.

Wesley

The Wesley Foundation serves as the "Church" on campus. It serves as a witnessing community, welcoming the doubter, the inquirer, the indifferent, and the believer to pursue the truth in the various academic disciples and discipline of faith. A colloquium of learning facing the serious questions of life today is also a function of Wesley.

The Wesley Foundation at Memphis State seeks to serve the student through a varied program that will aid him relating himself to the university, to other people, to the very reality of life itself, and to God.

"If you continue in my word, you are truly my disciples, and you will know the truth, and the truth will make you free."

John 8:31, 32

The W.F. is a gathering together of certain members of God's Church who are already on the campus. They come together for worship, study, prayer, and fellowship to gain strength and knowledge from each other and God in order to better fulfill their "vocation" as those who are called by God to live this particular life on the university. This Christian fellowship helps give them a perspective that shows the universality of God's truth and activity so that they see their studies, extracurricular activities, etc. as not "secular," or separate from their religious life, but as a part of the same fabric of God's creation.

"Thou shalt love the Lord thy God with all thy heart and soul, and mind, and thy neighbor as thyself."

ACADEMICS

The First Family

Hunter, President Humphreys, Mrs. Humphreys, Cecil Jr.

The first family of Memphis State University, President and Mrs. Cecil C. Humphreys, live in a home as old as this University, but the traditional charm and elegance which the home now exhibits is a product of the vigorous, youthful leadership this fine couple furnishes our Alma Mater. With their two sons, the Humphreys serve this University in many capacities. Drawing on his background as educator, and administrator, President Humphreys guides this institution through a period of growth and expansion rarely experienced by a school. Embodying the aspirations of a great University, President Humphreys is a respected and admired citizen of this community and on our campus.

". . . To Unite Congenial Students of the Law . . ." With this motto as our guide, Delta Theta Phi proudly enters its 64th year as a leading professional legal fraternity. Delta Theta Phi was officially formed in 1913 by a consolidation of these legal fraternities—Delta Phi Delta, Alpha Kappa Phi, and Theta Lambda Phi—whose origin dates back to 1900. Here at Memphis State, the Jackson Senate in September 1963, was installed by five brothers who had transferred from Southern Law School in its merger with the MSU School of Law.

From these five our membership has grown rapidly to the present membership of thirty-eight. Delta Theta Phi is a national professional fraternity with a total enrollment of 45,000 in 106 leading law schools.

Each Delta Theta seeks to uphold the highest professional, moral, and scholastic standards. This is evidenced by the great number of presidents, governors, legislators, judges, deans, and eminent attorneys who have emerged from our ranks.

Delta Theta Phi, although a professional organization, engages in numerous social events throughout the year.

We, the brothers of Jackson Senate, point with pride to our rich heritage and past history, but we realize that the future is in our hands and gladly accept the challenge of continued contribution to the legal profession and public service.

Farewell

The sleek jet glides effortlessly into the night sky and my thoughts follow the lights far on to the horizon and back into the recesses of my mind and the year past. The jet wings its way to Dallas with the final pages of the 1964 DeSoto. Soon the final product will make the return trip filled with the strokes of genius and last minute stabs at making a pictorial guide for the 1963-64 year at Memphis State University.

For all our staff this yearbook holds special memories, and I only hope that each person has profited personally and known my appreciation. The complete story of this year can never be told, but if we have evoked just a ghost of this year's spirit then the long, agonizing hours before deadlines will be repaid.

The figure of deadlines not met stands as a haunting figure to repent, and I promise to do better next time. I awake realizing that there is not another deadline to be met, and I am left with this image as a remembrance of the year past—the innumerable cigarettes and lost sleep. But I would not repent this year as editor, for it will go down in my college career as a year filled with special learning into the essence of Memphis State University.

BUTCH ALFORD, Editor
